YOUTH TRAP CLINIC - \$65

October 21

In partnership with the Missouri Youth Sport Shooting Alliance (MYSSA) and St. Louis Skeet and Trap Club, USA Shooting is proud to offer specialized coach training and a youth clinic for Missouri-area coaches and athletes with an emphasis on improving trap shooting techniques and abilities in the Show Me State.

YOUTH CLINIC — USA Shooting will offer a half-day youth trap shooting clinic for up to 80 Missouri youth trap athletes on October 21, 2017. The goal is to provide a fun and safe learning environment that enhances the quality and abilities of young aspiring trap athletes while enhancing the fundamentals an athlete needs to allow them to achieve greater consistency in training and competition. Two half-day clinics will be offered for up to 40 kids for either a morning or afternoon session that will be four hours in length. **\$65** *(Thanks to MYSSA's generosity, they are subsidizing 50% of the cost for each attendee).*
